ADDENDUM NO. 3

RFP-MH-2026-02 — Classroom Furniture

Original RFP Issue Date	August 24, 2026	**Addendum No. 1 Issue Date**	September 1, 2026
Addendum No. 2 Issue Date	September 8, 2026	**Addendum No. 3 Issue Date**	September 10, 2026
Proposals Due (unchanged)	**September 10, 2026, 4:00 PM ChST**		

This Addendum amends the proposal submission requirements in Section 4 of RFP-MH-2026-02. It is incorporated into and made part of RFP-MH-2026-02, together with Addenda No. 1 and No. 2. All other terms, conditions, and requirements of the RFP remain unchanged. This amendment applies equally to all proposers, including any who have already submitted a physical and/or electronic copy. Proposers must acknowledge receipt of this Addendum No. 3 in their proposal submission.

Reason for Amendment

To ensure practical participation by all eligible proposers, including those located off-island, MHCACS is amending the proposal submission method to no longer require both a physical and an electronic copy.

Amendment to Section 4, Proposal Submission Requirements

As originally issued:

"Submit one physical sealed copy to the Business Manager and one electronic copy (single PDF) to diseha@magalahenhurao.org, subject line 'SEALED PROPOSAL — RFP-MH-2026-02 — [Bidder Name].' Physical and electronic proposals will be opened together, privately, by the evaluation committee after the deadline."

As amended:

Submit either (a) one physical sealed copy to the Business Manager, or (b) one electronic copy (single PDF) to diseha@magalahenhurao.org, subject line 'SEALED PROPOSAL — RFP-MH-2026-02 — [Bidder Name].' A physical copy is no longer required if a complete electronic copy is submitted by the deadline. Proposals received by either method will be treated as timely and complete, and will be opened by the evaluation committee after the deadline, consistent with the confidentiality protections of a sealed proposal process.

Proposers who have already submitted both a physical and an electronic copy need take no further action; both remain valid and will be evaluated as submitted.
