

ADDENDUM NO. 1

RFP-MH-2026-02 — Classroom Furniture

Original RFP Issue Date	August 24, 2026	Addendum Issue Date	September 1, 2026
-------------------------	-----------------	---------------------	-------------------

This Addendum corrects an error identified in the original RFP-MH-2026-02 document. It is incorporated into and made part of RFP-MH-2026-02. All other terms, conditions, and requirements of the RFP remain unchanged. Proposers must acknowledge receipt of this Addendum No. 1 in their proposal submission.

Question Received

“Lot 3 shows a total of 8 classrooms, however, I count 9. Can you please confirm? If the above is truly 9, then the paragraph below would need to be corrected to reflect All Lots – Shared per Classroom items (15 classrooms total).”

Answer

Confirmed — Lot 3 totals nine (9) classrooms, not eight (8). The individual grade-level rows in the original RFP (including two 1st Grade sections) were correct; only the “Lot 3 Total” summary line and downstream references were understated. This Addendum corrects those figures below.

Corrections

1. Section 1, Introduction & Background — first paragraph

~~MHCACS seeks a qualified vendor to supply classroom furniture for 14 classrooms across all grade levels~~ **MHCACS seeks a qualified vendor to supply classroom furniture for 15 classrooms across all grade levels**, supporting flexible, collaborative, and age-appropriate learning environments.

2. Section 2, Scope of Work — second paragraph

~~MHCACS currently operates 13 classrooms and will expand to 14 classrooms next school year with the addition of 8th grade.~~
MHCACS currently operates 13 classrooms and will expand to 15 classrooms next school year with the addition of an 8th grade classroom and a second 1st Grade classroom section.

~~This RFP procures furniture for all 14 classrooms now, including the 8th grade classroom, in advance of that expansion.~~ **This RFP procures furniture for all 15 classrooms now, including the 8th grade classroom and the second 1st Grade section, in advance of that expansion.**

3. Section 2, Lot 3 Table — Lot 3 Total row

	Classrooms	Students/Room	Desks + Chairs
Lot 3 Total — as originally issued (incorrect)	8	—	207 + 207
Lot 3 Total — corrected	9	—	207 + 207 (unchanged)

Desk and chair quantities for Lot 3 are unchanged — the original total already reflected nine classrooms' worth of students.

4. Section 2, “All Lots — Shared Per-Classroom Items” — heading and first sentence

~~All Lots — Shared Per-Classroom Items (14 classrooms total)~~ → **All Lots — Shared Per-Classroom Items (15 classrooms total)**
~~Each of the 14 classrooms, regardless of lot, also requires the following:~~ **Each of the 15 classrooms, regardless of lot, also requires the following:**

This adds one additional set of shared items to the RFP scope: one (1) additional reading shelf/corner unit, enclosed storage cabinet, teacher desk, teacher chair, shoe rack, and student cubby/storage unit, sized for the additional 1st Grade classroom.
